

SILVER LAKE WATER DISTRICT
Snohomish County, Washington
RESOLUTION NO. 26

A Resolution awarding the contract for the construction of a Water Distribution System in Local Improvement District # 2, of Silver Lake Water District to Alderwood Construction Co.

WHEREAS, a meeting of the Board of Commissioners of the Silver Lake Water District was held in the Silver Lake School, in Snohomish County, Washington, on May 21st, 1951, at 7:00 P. M. Standard time, pursuant to published notice thereof, relative to bids for the construction of a Water Distribution System, and

WHEREAS, the bids received for the construction of a Distribution System in Local Improvement District # 2 of the Silver Lake Water District, at Silver Lake, Washington, have been duly opened, read and compared, and IT APPEARS that it would be impractical to use cement-asbestos pipe on account of time that would be required for delivery and that steel pipe should be used, and

IT APPEARING that Alderwood Construction Co. is low bidder on steel pipe,

NOW, THEREFORE, BE IT RESOLVED, that the contract for the construction of a Water Distribution System in Local Improvement District # 2 of Silver Lake Water District, be and the same is

HEREBY AWARDED to Alderwood Construction Co. for the sum of nine thousand four hundred and six and 3/100 Dollars (\$9406.30), which sum includes sales tax and such sum being the basic bid of said bidder.

BE IT FURTHER RESOLVED that R. J. Pitchford, President,
and W. E. Stubb, Secretary of Silver Lake Water District be and
they are hereby authorized to execute such construction contracts
and any other documents, instruments or agreements in connection
therewith, for and on behalf of said Silver Lake Water District.

For Resolution all
