

A RESOLUTION OF THE SILVER LAKE WATER DISTRICT ESTABLISHING POLICIES AND PROCEDURES TO ENCOURAGE DISTRICT EMPLOYEES TO REPORT IMPROPER GOVERNMENTAL ACTION AND TO PROTECT DISTRICT EMPLOYEES WHO HAVE REPORTED IMPROPER GOVERNMENTAL ACTION IN ACCORDANCE WITH THE DISTRICT'S POLICIES AND PROCEDURES.

WHEREAS, the Legislature of the State of Washington adopted Substitute Senate Bill 6321, known as the "Whistleblower Protection Act," requiring local governments to adopt policies and procedures to encourage employees to report improper governmental action and to protect employees who report improper governmental action; and

WHEREAS, the public interest is served by adopting such policies and procedures; now, therefore,

BE IT RESOLVED by the Board of Commissioners of the Silver Lake Water District as follows:

A. District Policy Statement. Every District employee has the right and obligation to report to the appropriate person information concerning alleged improper governmental actions and the right to do so free from retaliatory action. District officials and employees are prohibited from taking retaliatory action against any District employee because he or she reported in good faith an improper governmental action in accordance with the policies and procedures set forth in this resolution. Therefore, it is the District's policy to:

1. Encourage District employees to report improper governmental actions taken by District officers or employees; and

2. Protect District employees who have reported improper governmental actions in accordance with the District's policies and procedures.

B. Definitions. As used in these policies and procedures, the following terms shall be defined as indicated:

1. "Improper governmental action" means any action by a local governmental officer or employee undertaken in the performance of the officers or employees' official duties, whether or not within the scope of the employee's employment that is in violation of any law or rule, is an abuse of authority, is of substantial and specific danger to the public health or safety, or is a gross waste of public funds. "Improper governmental action" does not include personnel actions.

2. "Retaliatory action" means any adverse change in an employee's employment status, or the terms and conditions of employment including denial of adequate staff to perform duties, frequent staff changes, frequent and undesirable office changes, refusal to assign meaningful work, unwarranted and unsubstantiated letters of reprimand or unsatisfactory performance evaluations, demotion, transfer, reassignment, reduction in pay, denial of promotion, suspension, dismissal, or any other disciplinary action.

3. "Emergency" means a circumstance that if not immediately changed, may cause damage to persons or property.

C. Procedures for Reporting Improper Action. District employees who become aware of improper governmental action shall submit a written report of such to the General Manager of the District. If the General Manager is the subject of the report, then the report shall be made to the President of the Board of Commissioners or, in the President's absence, to any board member. In addition, an employee may report improper governmental action to the Snohomish County Prosecuting Attorney, or the State Attorney General's office, Fair Practices Division. The addresses of the County Prosecuting Attorney and the State Attorney General's Office, Fair Practices Division, are attached hereto. Except in the case of an emergency, before an employee provides information of an improper governmental action to a person who is not a public official or a person listed in the District's policy, the employee shall submit a written report to the General Manager. If the General Manager is the subject of the report, then the report shall be made to the President of the Board of Commissioners or, in the President's absence, to any board member. An employee who fails to make a good faith attempt to follow this policy shall not receive the protection of the state whistleblower law. The General Manager or, if the General Manager is the subject of the report, then the President of the Board of Commissioners, shall promptly investigate the report of improper governmental action. District officers and employees involved in the investigation shall keep the identity of reporting employees confidential to the extent possible under law, unless the employee authorized the disclosure of his or her identity in writing. Following the completion of an investigation, the employee reporting the alleged, improper governmental action shall be advised of the results of the investigation and any actions taken by the General Manager or Board of Commissioners with respect to such report. However, any personnel actions taken as a result of the investigation may be kept confidential.

D. Dissemination of District Policies and Procedures. A copy of this resolution containing the District's policies and procedures for reporting alleged improper governmental action and to protect District employees reporting such shall be provided to all existing and new District employees and a copy of this resolution shall be permanently posted in a place at the District office where all employees will have reasonable access to it. In

addition, a copy of this resolution shall be made available to any employee upon request.

The District shall respond to the charge and request for relief within thirty (30) days.

2. Within fifteen days of the delivery of the response, or within fifteen days of the last day on which the District could respond, the employee may request a hearing to establish that a retaliatory action occurred and to obtain relief.

3. Within five working days of receipt of the request for hearing, the District shall apply to the State Office of Administrative Hearings for an adjudicative proceeding before an administrative law judge:
