

Silver Lake Water District
Snohomish County, Washington

RESOLUTION OF INTENTION NO. 87 A

A RESOLUTION OF INTENTION to provide for a distribution system of water mains and the doing of all other work necessary to make a complete improvement in connection therewith, within the boundaries more fully described in the body of this Resolution, creating an assessment district, creating a Local Improvement District Fund therefor, providing that the costs and expenses of such improvement shall be paid by special assessments in ten equal annual installments under the mode of "Payment by Bonds", said bonds to bear interest at a rate of not to exceed six per cent (6%) per annum.

WHEREAS, the Water District Commissioners of Silver Lake Water District upon their own motion, order the following portion of the general plan heretofore adopted by the Silver Lake Water District be put into effect as follows, to-wit:

- a. That a distribution system of water mains, together with the necessary appurtenances thereto, be constructed in the territory hereinafter described and that all necessary work be done and all necessary material furnished, all in accordance with plans and specifications to be prepared by the Board of Water District Commissioners.
- b. That a local improvement district be created to bear the cost and expense of such improvement.
- c. That all work be done according to plans above referred to; that payment for said improvement shall be made by special assessments, payable in ten equal annual installments under the mode of "Payment by Bonds", said bonds to bear interest at a rate not to exceed six per cent (6%) per annum.
- d. The property to be included in said local improvement is described in Section 3 hereof.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF SILVER LAKE WATER DISTRICT, SNOHOMISH COUNTY, WASHINGTON:

Section 1. That all of the territory within the boundaries described in Section 3 of this Resolution be improved by the construction of a distribution system of water mains, and that all work in connection therewith be done, necessary to conduct water from the Silver Lake Water District water supply system to all of the property described in Section 3 of this Resolution, and that said water distribution system be constructed according to plans and specifications to be prepared under the direction of the Engineer employed by said Water District Commissioners for such purpose, the estimated cost of such improvement being the sum of \$23,000.00; that pipes used shall be cement-asbestos or cast iron, together with all appurtenances and work incidental thereto of the approximate size in, on, along and under the following described streets, roads, alleys and easements;

A six-inch pipe from Murphy's Corner southward along the Bothell-Everett Highway to the east-west center line of Section 31, T. 28 N., R. 5 E., and

A six-inch pipe in Dumas (Post) Road from the north-south center line of said Section 31 to its intersection with the Bothell-Everett Highway;

Construction to be of permanent type pipe with standard fire hydrants installed at proper spacing.

The water lines are to be installed as described above, together with the necessary gate valves, pressure reducing valves and appurtenances for the best operation of the water system as determined by the District Engineer employed by the Water District.

The District shall construct and install 4 inch standard fire hydrants in connection with the acquisition and construction of the water district lines throughout the District to be located

in accordance with the requirements of the Washington Surveying and Rating Bureau for Zone 1 insurance rating wherever feasible.

Section 2. That all of the costs and expenses of such improvement shall be borne by and assessed against the property included in the assessment district herein created. Special assessments shall be levied against the property situated within such local Improvement District in proportion to the special benefits to be derived by the property in such Local Improvement District from such improvement, the mode of assessment shall be such as may be determined by the Commissioners of the Water District and without regard to the zone and termini method provided for in laws of 1947, Chapter 155, Section 1, Page 717.
