It was reported that a resident in the Silver Lake Water District has inquired about the possibility of joining the Mukilteo District. This party had been advised by the Superintendent that they should confer with the Board of Commissioners. It was agreed that permission would be given to the Mukilteo District to furnish them water on an out district basis. The property will remain in the Silver Lake Water District and would be subject to assessment in the event an LID ever be formed in that area.

There being no further business, the meeting was adjourned at 7:45 P.M. until the next meeting November 10, to be held at 7:00 P.M.
